

CRAPAUD H3 1000TH Run

Jersey, Channel Islands,
19th – 21st September 2008

The Crapaud House Hash Harriers are approaching their 1000th run and welcome you to Jersey to celebrate “drinkers with a running problem” over the weekend of the 19th to the 21st September.

To find us you need to fly or sail so given the location we have not included travel in the registration cost. We would obviously like to know your details and welcome you on your entry into the island! If not we will see you when we see you.

Provisional Programme

Friday, 16.00 Members of the hash will be welcoming people at the Hotel de Normandie. Pre booked trips will hopefully be met at the airport or ferry terminal (to be confirmed).

The Evening Red Dress Charity Run, from Havre des Pas swimming pool, (200m from hotel) will be to various hostelrys within town and conclude with a light dinner, giving all hashers ample opportunity to sample the life and soul of St. Helier. (Collection buckets for this event will be in aid of Autism Jersey and Headway)

Saturday, 10.30 Coaches will leave Havre des Pas, to various runs and will conclude at a special location for a light lunch and entertainment?? We will also take you back to the hotel afterwards.

An evening event is to be held at the Hotel de Normandie, starting at about **19.30**, with a buffet dinner, the theme will be “Strictly (come) Crapaud Dancing” so appropriate ensembles will be visible, (Personally I’m going for river dance) our GM is working on local entertainment for the evening.

Sunday 10.00 Coaches will leave Havre des Pas, for the monumental 1000th run, featuring your typical engagements and the general light hearted banter. A lunch will be held back at the hotel to conclude.
